

A smiling female doctor with dark hair, wearing a white lab coat and a stethoscope, is seated at a desk. She is looking towards a patient with blonde hair, whose back is to the camera. The background is a blurred hospital setting with other staff members.

INDIA

Who we are

Asar.care - where AI meets human expertise to guide you from diagnosis to lasting recovery.

Our in-house **medical board of world-class doctors**, combined with a curated network of **top hospitals and diagnostics labs**, ensures exceptional care — anywhere.

From the first appointment to the flight back home - and beyond - you're never on your own.

Clear. Safe. Worry-free — every step of the way.

"My father's illness showed me how broken the medical journey can be. I built ASAR so no family has to face that alone" — *Founder, Asar.care*

ASAR Care Services

Trusted Healthcare Services for Every Patient

Connecting you with world-class hospitals, expert physicians, and tailored care plans — wherever you are in the world

Whether you're a local resident or traveling from abroad, ASAR connects you with **Leading Hospitals, Expert Physicians**, and tailored care plans that perfectly match your health needs, preferences, and budget. We're committed to delivering exceptional care coordination for both international and domestic healthcare seekers

UNDERSTANDING THE CHALLENGE

The Problem We Solve

Fragmented Healthcare Journey

Patients deal with multiple providers, leading to confusion and lack of coordination

Lack of Cost Transparency

Unclear pricing and unexpected expenses create stress and financial uncertainty

Difficulty Choosing the Right Hospital

Patients struggle to identify trusted hospitals and the right specialists for their needs

Language & Travel Barriers

Communication gaps and unfamiliar environments make the journey more challenging

LANGUAGE SUPPORT — ON-SITE & REMOTE

Arabic

French

Russian

Swahili

Somali

Amharic

Uzbek

Pashto

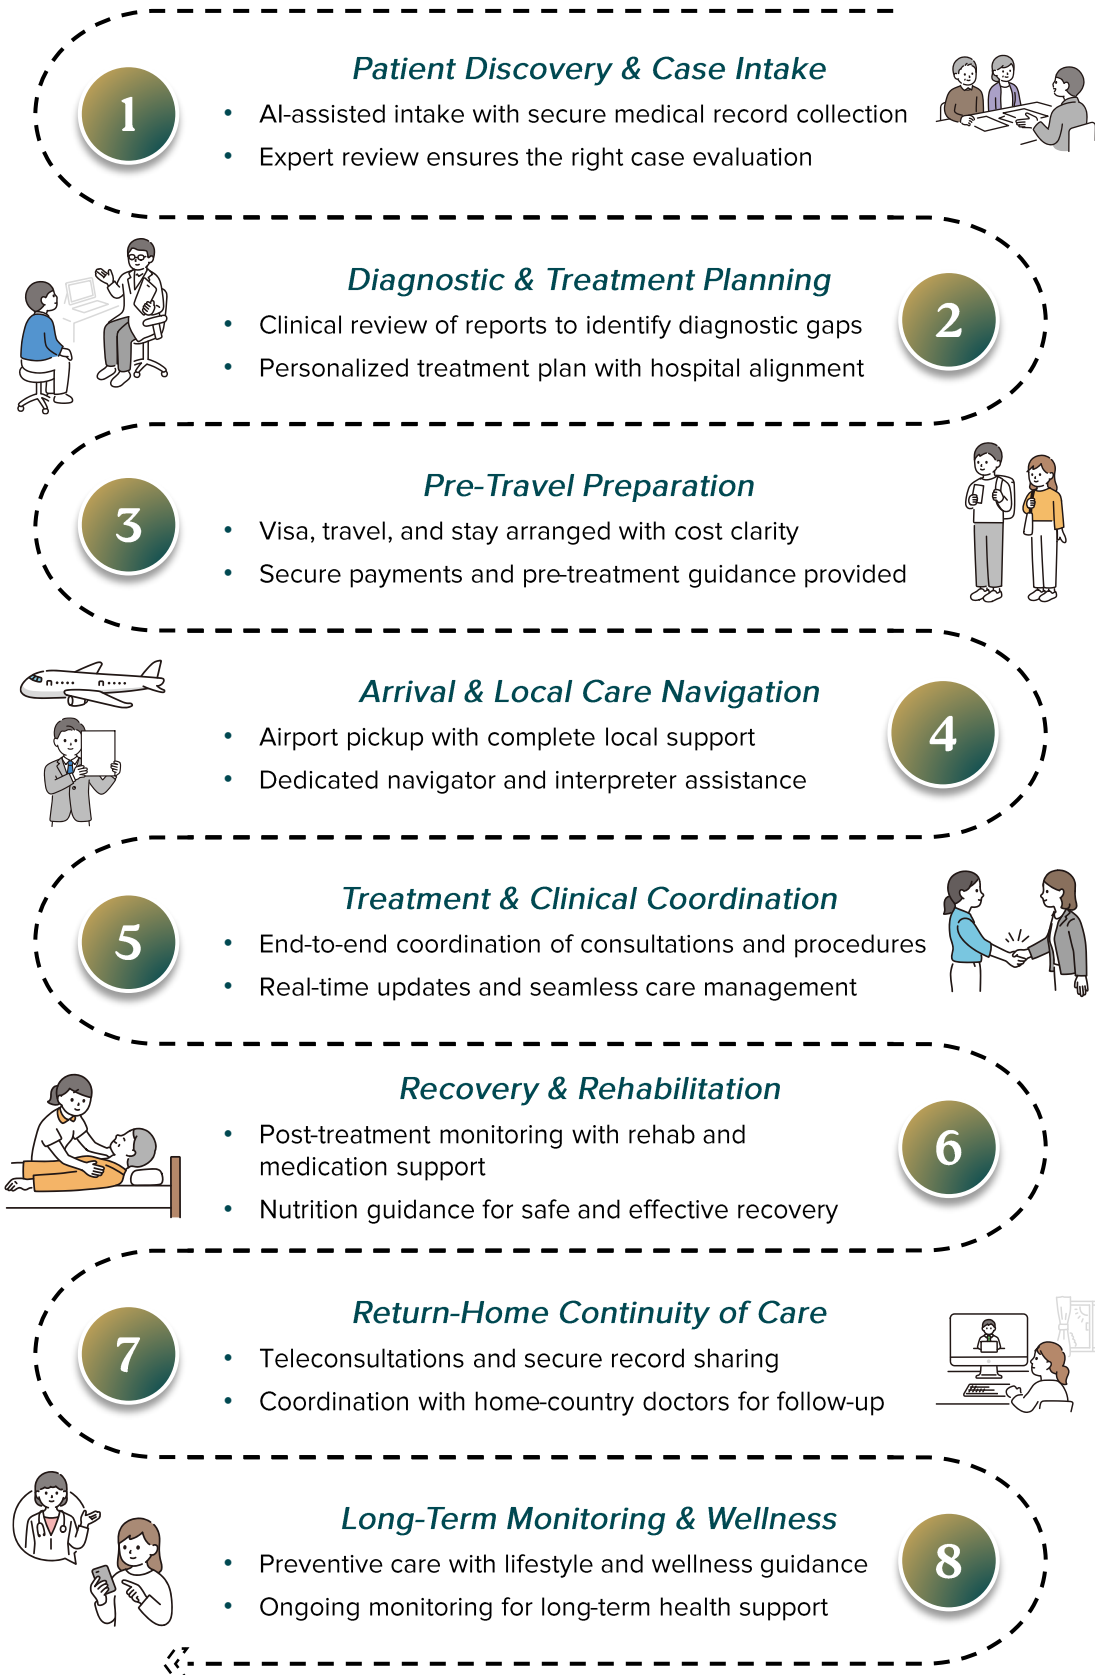

Thai

Bengali

Nepali

Patient Seamless Care Journey

A Seamless, Guided Journey at Every Step

Global Treatment Costs, Smarter Choices

World-class Healthcare in India at A Fraction of Global Costs

ASAR Care — Save **70–80%** on major treatments in India with access to leading hospitals, expert doctors, and full end-to-end support
